☐ None. TNC will not reimburse the Contractor for any expenses.

☐ TNC will reimburse the Contractor for the following eligible expenses up to a maximum amount of US (inclusive of all taxes):

- d. **Invoices and Payments.** Requests for payment of the Contract Fee must be submitted to TNC in the form of an invoice itemizing the Services performed or delivered during the invoice period. Invoices will be subject to review and approval by TNC, and TNC may deny payment of requests received more than sixty (60) days after the final deadline for the completion of Services. TNC will make all payments either (i) by check, subject to TNC's receipt from Contractor of a properly completed IRS Form W-9, or (ii) via Vendor ACH, subject to Contractor's completion of TNC's Vendor ACH Enrollment Form. Expenses authorized for reimbursement by TNC must be: (i) substantiated by adequate documentation (such as receipts), unless waived in writing by TNC; (ii) reasonable in amount; (iii) related to and in furtherance of the Contract purposes; and (iv) submitted with Contractor's invoices for payment. In the event of early termination of the Contract and upon receipt of any termination notice, with or without cause, Contractor shall not incur any further expenses, without express written consent by TNC. TNC shall not pay any expenses to third parties on behalf of the Contractor.
 - e. **Stop Work Notice.** If TNC receives a disbursement suspension, stop work notice, directive or other similar communications from an entity providing funding for this Contract, TNC may notify Contractor to stop all or part of the Services ("Stop Work Notice"). Contractor shall follow the directions in the Stop Work Notice and shall not engage in the Services or incur expenses under the Contract until receipt of written notice from TNC to resume. TNC shall reimburse the Contractor for all reasonable expenses or non-cancelable commitments incurred as of the date of the Stop Work Notice, not to exceed the total amount committed under this Contract.
 - f. **Funds Availability.** TNC's payment obligations under this Contract are contingent upon the availability of awarded funds from which payment for contract purposes can be made. No legal liability on the part of TNC for any payment may arise until funds are made available from the prime funder for this Contract and until the Contractor receives written notice of such availability.
3. **Term.** This Contract will become effective upon the last signature date below and will expire automatically once all the Services have been completed and final payment by TNC has been made (the "Contract Term"). Contractor must comply with all deadlines in Exhibit A and finalize all Services on or before **[INSERT ANTICIPATED END DATE OF SERVICES]**. Any deadlines set forth herein may be extended only with TNC's prior written consent (which may be provided by email for simple, no-cost extensions). Time is of the essence in the performance of this Contract.

Term. This Contract shall become effective upon the last signature date below and expires on **[INSERT SPECIFIC EXPIRATION DATE]** (the "Contract Term"). Any deadlines set forth herein may be extended only with TNC's prior written consent, which may be provided by email so long as they do not change the value of the Contract and remain within the Contract Term. Time is of the essence in the performance of this Contract.

4. **Termination.**

- a. **For Convenience.** TNC may terminate this Contract for convenience at any time upon two weeks' written notice to Contractor. TNC will pay Contractor for the Services that have been satisfactorily performed, as determined by TNC, as of the termination date. Contractor shall submit a final invoice within fourteen days following termination of services.
- b. **For Default.** TNC may immediately terminate this Contract for default by written notice to Contractor if Contractor fails to provide satisfactory Services or deliverables, if the Services or deliverables cannot be performed in accordance with Applicable Laws (defined below) or TNC's policies, or if Contractor fails to perform any material duty, obligation, or covenant under this Contract, whether for circumstances within or beyond Contractor's control. Should termination occur as a result of Contractor's default, TNC may, without limiting any other remedies available to it under Applicable Laws, reduce the fees owed to reasonably account for unsatisfactory completion of the work, or recover damages from Contractor resulting from Contractor's default and offset any amounts payable to Contractor against such damages.
- c. **Refund of Advanced Payments.** Regardless of the reason for termination, to the extent the balance of any advance payments made by TNC exceeds the total payments due to Contractor for Services satisfactorily completed, Contractor must promptly return the excess advance payments within fourteen (14) days.

5. **Conflict of Interest Determination.** Contractor represents and warrants that, to the best of Contractor's knowledge, the information Contractor has provided on TNC's Conflict of Interest Inquiry Form (attached as Exhibit B) is true and correct. If any of the information Contractor has provided changes during the term of this Contract, Contractor agrees to promptly notify TNC in writing of such change. The parties acknowledge that publicly traded companies engaging in the normal course of business, government agencies, and universities are not required to submit a Conflict Inquiry Form.
6. **Independent Contractor Status; No Benefits.**
- The parties intend this Contract to create an independent contractor-client relationship and not an employee-employer relationship. Contractor is solely responsible for the conduct and control of the Services and fulfilling Contractor's duties and obligations under this Contract. Contractor is not an agent or employee of TNC, and no partnership, joint venture, or principal-agent relationship exists. Neither party will have any right, power, or authority by virtue of this Contract to create any obligation, express or implied, on behalf of the other party.
- a. **Independent Contractor.** The parties expressly intend this Contract to create an independent contractor-client relationship and not an employee-employer relationship. Contractor is solely responsible for the conduct and control of the Services and fulfilling Contractor's duties and obligations under this Contract. Contractor is not an agent or employee of TNC, and no partnership, joint venture, or principal-agent relationship exists. Neither party will have any right, power, or authority by virtue of this Contract to create any obligation, express or implied, on behalf of the other party. Contractor warrants and represents that Contractor (i) shall timely file and pay all self-employment taxes and other amounts due with respect to payments received hereunder; (ii) may perform work for other clients during this engagement; and (iii) is customarily engaged in an independently-established trade, occupation, profession, or business.
- b. **No Benefits.** Contractor acknowledges and agrees, and it is the intent of the parties that neither Contractor nor any employees or subcontractors of Contractor be eligible for or receive any TNC-sponsored benefits as either a contractor or employee. Such non-eligible benefits include, but are not limited to, paid vacation, sick leave, holiday leave, notice prior to dismissal, severance, garden leave, overtime pay, medical insurance, and 401(k) participation. If Contractor is reclassified by a state or federal agency, local authority, or court as an employee, Contractor will become a reclassified employee and will receive no benefits except those mandated by U.S. state or federal law, even if by the terms of TNC's benefit plans in effect at the time of such reclassification Contractor would otherwise be eligible for such benefits on a retroactive or prospective basis.
- c. **Disclosure.** TNC will not provide unemployment compensation coverage for Contractor. Contractor is not entitled to unemployment insurance benefits unless unemployment compensation coverage is provided by Contractor or some other entity.
7. **Taxes.** Contractor is responsible for filing and paying its own taxes and for complying with the requirements of any applicable tax laws. TNC will not withhold or pay on behalf of Contractor or any of Contractor's employees any U.S. Federal, state, or local income tax, payroll tax, or any excise, sales, or use tax of any kind. TNC will report to the IRS on Form 1099 all fees paid to Contractor, as and to the extent required by Applicable Laws.
8. **Performance of Work.** Contractor represents and warrants that Contractor is qualified and will perform the Services in accordance with the highest standards of Contractor's profession or craft. Contractor is responsible for the complete performance of the Services notwithstanding the use of any subcontractors or work performed by anyone else under Contractor's direction or control. Contractor will not be paid for any Services found by TNC to be unsatisfactory.
- (a) **Deliverable Acceptance and Rework.** All deliverables provided under this Contract shall be subject to TNC's review and acceptance. TNC shall have a reasonable period of time, not to exceed fifteen (15) business days from receipt of a deliverable, to evaluate and either accept or reject it in writing. If TNC determines, in its reasonable discretion, that a deliverable does not meet the agreed-upon specifications, requirements, or professional standards, TNC may reject the deliverable and require Contractor to promptly correct, revise, or rework the deliverable at no additional cost to TNC. This process shall continue until the deliverable is accepted by TNC or the Contract is terminated in accordance with its terms. TNC's failure to provide written approval under this section shall be deemed a disapproval.
9. **Liability; Indemnification.** Contractor agrees that it is entering into this Contract and performing the Services entirely at Contractor's own risk. Contractor, on behalf of Contractor and Contractor's employees, subcontractors, and agents, agrees to indemnify, defend, and hold harmless TNC and its directors, officers, employees, agents, and assigns (collectively, the "Indemnified Parties") from and against any and all liabilities, demands, damages, claims, losses, costs,

settlements, judgments, fines, penalties, or expenses, including reasonable attorneys' fees and costs, (collectively, "Claims") that directly or indirectly arise out of, relate to, or result in any way from the performance of this Contract, (including but not limited to reclassification as an employee as describe above) whether or not the Claims have merit, involve third parties, or are caused or alleged to be caused by Contractor or any of the Indemnified Parties; provided, however, that Contractor will not be responsible for Claims arising from the sole negligence, gross negligence, or willful misconduct of any of the Indemnified Parties.

10. **Insurance.** Prior to commencing the Services and during the Contract Term, Contractor must have and maintain the following insurance policies:
- Workers' compensation insurance coverage as required by Applicable Laws;
 - Commercial general liability insurance (including contractual liability if the Contract Fee is US \$XXX or more or if requested by TNC) of at least US \$XXXX per incident, written on an occurrence basis, and covering the Services that are the subject of this Contract, including any related claims;
 - Automobile liability insurance, covering all owned and non-owned vehicles used in performing the Services, with a liability limit of at least \$XXXX per occurrence; and
 - Professional liability (errors & omissions) insurance in the amount of at least US \$XXX if Contractor is providing professional services (such as consulting, engineering, design, appraisal, or surveying services).

The Contractor may use umbrella or excess policies to provide the liability limits as required in this Contract. The umbrella or excess policies shall be provided on a true "following form" or broader coverage basis, with coverage at least as broad as provided on the underlying commercial general liability insurance. Before any of the Services commence, the foregoing requirements must be evidenced by one or more certificates of insurance, showing TNC as an additional named insured on the commercial general liability policy and requiring at least 30 days advance written notice to TNC of any cancellation, renewal, reduction in limits, or coverage or other material change of the policies. TNC reserves the right to request additional documentation, such as one or more policy endorsements, deemed reasonably necessary to ensure such requirements have been met.

11. **Work Product; Intellectual Property.** Contractor retains all right, title, and interest in works, inventions, and other intellectual property original to or owned by Contractor prior to the execution of this Contract or created outside the scope of this Contract. If the Services involve the creation of intellectual property including, but not limited to, inventions, concepts, processes, reports, derivative works, studies, photographs, software (including in both object code and source code form), drawings, designs, writings, related drafts, supporting materials, or data (collectively, the "Works"), TNC will own all right, title, and interest, including copyrights, and, if applicable, patent rights, in and to the Works. Contractor agrees that all copyrightable Works are "works made for hire" as defined under the copyright laws of the United States. To the extent that any of the Works are not works made for hire, Contractor unconditionally assigns to TNC and TNC's successors and assigns all right, title, and interest, including copyright, and other intellectual property rights, in and to the Works in all media (whether now known or later developed) worldwide and in perpetuity. Contractor grants to TNC a worldwide, non-exclusive, royalty-free, perpetual license to use, reproduce, distribute, modify, exercise, practice, perform, and exploit any assets subject to Contractor's patents, copyrights, or other intellectual property rights, to the extent that such license is necessary for TNC to enjoy all rights associated with ownership of the Works. Upon request of TNC, Contractor will deliver to TNC all tangible copies (including digital copies) of the Works and will execute and complete all documentation necessary to establish TNC's ownership of the Works. Contractor warrants and covenants that the Works will not infringe on the patent rights, copyrights, or other intellectual property rights of Contractor or third parties.

(a) **Use of AI.** Except and only to the extent AI technology is specifically and expressly described in this Contract, Contractor shall ensure that: (a) no Service or deliverable includes or depends in any way on AI technology; and (b) the operation and use of any Service or deliverable in accordance with this Contract, including any specifications and documentation, does not require the use of AI technology.

12. **Use of TNC Name and Logo.** Unless expressly authorized in writing in this Contract or in a separate written agreement, Contractor may not use TNC's name, logo, or other intellectual property in any manner, whether in conjunction with the Services or otherwise, except (a) to deliver invoices or other notices to TNC and (b) within acknowledgements of TNC funding, as authorized in writing by TNC.

13. **Confidential Information.** In performing the Services, Contractor might have access to information, whether verbal, in writing, in electronic format, or in any other tangible form, disclosed by TNC, directly or indirectly, to Contractor that is (a) identified as confidential, or (b) disclosed in a manner in which TNC reasonably communicates, or that Contractor should reasonably have understood, should be treated as confidential, whether or not designated as “confidential” (collectively, “Confidential Information”). Confidential Information includes, without limitation, data sets, personal data (including donor data), marketing plans, research, products, technologies, software source code, software object code, data collection functionalities, trade secrets, pre-publication patent applications, research and development, know-how, and other information relating to TNC and its operations, programs, or systems. Contractor may not publish or divulge any Confidential Information without TNC’s prior consent and agrees to use Confidential Information solely in furtherance of the Services. Contractor must use appropriate security procedures to safeguard Confidential Information. Contractor acknowledges and agrees that in the event Contractor receives any personal identifying information (i.e., information that identifies or can be used to identify an individual or that relates to an identified individual), Contractor (i) will be subject to a TNC IT Security review prior to such transfer or exchange and (ii) Contractor will comply with all Applicable Laws relating to the protection of personal identifying information. In addition, Contractor must comply with any additional requirements relating to protection of data as set forth in this Contract and/or as specified in any exhibits to this Contract.
- (a) **AI Data Restrictions.** Contractor shall not use, and shall not permit any third party to use, any TNC Confidential Information or TNC data as or in training data to train, validate, update, improve, or modify any of Contractor's or a third party's AI technology or as or in prompts for any AI technology for itself or for the benefit of any other person or entity, except (i) as expressly and specifically provided in this Contract, and (ii) exclusively for the benefit of TNC.

Implementations plans must include periodic consultation with TNC;
 - g. will not employ any person who is less than 18 years old, unless permissible by applicable laws in the jurisdiction where the Contractor is performing the Services.
